

# Treasure Coast Public Safety Training Complex *presents* Combat Shotgun Course

## December 8, 2012 ~ 9 a.m. - 1 p.m.

The Advanced Shotgun Training Course is designed to train participants in the safe and efficient application of shoulder fired shotguns. Participants will become intimately familiar with the shotgun and how to effectively discharge the weapon. Participants will also be required to demonstrate proficiency/accuracy in identifying and clearing various weapon malfunctions.

### Topics to be covered:

- Weapon nomenclature
- Reloads: tactical vs. combat
- Use of cover
- Movement
- Shot placement; sighting options
- Weapon transition
- Weapon malfunctions

### Ammunition Required:

- 00 Buck – 30 rounds
- Birdshot – 70 rounds
- 100 rnd handgun

### Equipment Required:

- Pump action or semi auto 12 gauge shotgun
- Handgun and holster of your choice
- Wrap around eye protection
- Ear protection
- Sling (*recommended, but not required*)
- Knee pads (*recommended*)
- Snack and hydration
- Gun cleaning kit
